

Report on Online Quiz Competition-28th Feb 2023

Held on occasion of National Science Day- 2023

C. U. Shah Science College, Ahmedabad

On occasion of **National Science Day- 2023** and to impart awareness and sense of curiosity among the students and faculties about the nomenclature of various elements in periodical table **C. U. Shah Science College has organized Online Quiz Competition** on nomenclature of various elements in periodical table on 28th feb 2023.

This Quiz programme was open for the entire science institute affiliated to Gujarat University and other universities in gujarat.

There were more than 200 participants-students as well as faculties of different institutes and colleges have taken part.

The participants who answered more than 40% number of questions correctly were provided the participant's certificate with logo of G-20.

This event proved to be very informative for the students. Such events go a long way in moulding student's personality and testing their knowledge. Thus It was a much appreciated endeavor by the College.

The entire quiz programme was made by Prof. Alap Shah and uploaded on Google form to making certificates for participants was done by Dr. Lina Patel.

The list of registered participants and their score with sample of certificate is attached herewith.
