

REPORT ON WORLD ENVIRONMENT DAY- 19TH JUNE- 2023

C.U.Shah Science College, Ashram Road, Ahmedabad with it's NCC Unit which is associated with **1-Guj. Armd NCC, Ahmedabad** celebrated World Environment Day under the campaign by Ministries/ Departments for International Year of the Milet (IYOM) on 19th June, 2023 at the campus of C. U. Shah Science College Ahmedabad.

To generate awareness and to educate public about the impact of plastic pollution along the water bodies, the NCC cadets of college have enthusiastically participated and perform two types of activities, one is Poster making and second is Essay competition on the topics of Bad effects of plastics and Plastic free India a step towards better world.

The activities like poster -slogan presentation and Essay writing were conducted in order to instill a sense to prevention of plastic pollution and to clean the plastic waste and their harmful impact in society along the water bodies in cadets a part from honing their idea and imagination.

The cadets have actively participated in Day celebration and drafting beautiful poster and written essay and shown effective thoughts.

Lt. (Dr.) Manish J. Solanki has motivated the cadets about to display intense commitment , sincere love about participation on event. Finally the program was concluded by singing national anthem and NCC song

Here are the glimpses of the celebration (The posters and essays are submitted herwith)
